

(Chapter 31: time for tea)

IT HAS BEEN A LONG DAY FOR ALL OF US...

> I FEEL A RELAXING BREAK IS IN ORDER...

SO PLEASE, INVITE YOU A TO MY HOME FOR TEA.

So Victoria, Julia, Pumpkin, Gelasia and Milly made there way back to the shamans home...

but many things still plagued Victoria's mind...

who is this howler?

was Apollo's story true or was it just an illusion put over him?

and more importantly...

are they really in possession of the ghost treasure?

and if 50, does it have answers to what happened to her rather?

SO TELL ME, APF ALL HOWLERS CAPABLE OF DOING WHAT

THE DRAGON SAID YOU DID?

> THEORY YES. BUT I HAVE NEVER MET ANOTHER ONE WHO COULD...

TEACHER, I'LL BE PLACING THE BOOK OF GAIA BACK WHERE IT BELONGS ... THANK YOU, PUMPKIN...

PLEASE MAKE YOURSELVES AT HOME WHILE I HEAT THE WATER FOR THE TEA.

To be continued...
